

Problem Statement

Pakistan mein 60%+ population ya toh legally illiterate hai ya lawyer afford nahi kar sakti. Aam aadmi ko pata nahi hota ke:

- Kisi ne unhe dhoka diya toh FIR kaise karein
- Zameen ka jhagda ho toh kaunsa court jaayein
- Police ne galat girftaar kiya toh bail ka haq kab milta hai
- Kirayadar ko kab nikaala ja sakta hai, kab nahi
- Traffic chalaan galat lage toh kaise contest karein

Result: Log ya toh apna haq chhor dete hain, ya galat jaaga paisa waste karte hain, ya bina wajah punishment bhugatte hain.

Existing solutions (Colaraz, legal aid websites) sirf text-based information dete hain — koi **voice-based, Urdu-mein, interactive, case-specific guidance** nahi ha

User bolega:

"Mere makan maalik ne bina notice ke mujhe nikaalna chahaa hai kya wo aisa kar sakta hai?"

System batayega:

"Nahi. Pakistan Rent Restriction Ordinance 1949 ke Section 6 ke mutabiq, landlord aapko bina 30 din ka written notice diye nahi nikaal sakta. Agar wo aisa kare toh aap City Court mein complaint kar sakte hain. Kya main aapko complaint draft karne mein madad karun?"
